If anyone has read the Tao and the bible
you may know what i mean
when i say that a lot of what lao Tzu and Yeshua said was similar
Also I have always found it strange that Lao Tzu when refering to death
says if you where to take the carpenters axe wouldnt this be the axe man
Was he refering to Yeshua when he said this?
It wouldnt surprise me as both men had a similar understanding of the he
Plus as we keep noticing as one person comes up with something so does
as we are all one as both men said
