Wiz.. I propose that we make definitions for controversial words. Words s spirituality has to do with emotions,logic and reasoning. I say this becau placed here with the intention to speed up those evolutionary processes. meaning or definition for the word... let's start compiling a Wizanda dict meaning or multiple meanings so people can very easily access it and un speak of. This will also give new members a reference point whereas to u pre-rooted meanings that have been derived from organized religious sou sources deceive... although in some way they do... but we need people to words mean. They are always thrown around so loosely... sometimes I wo meanings they have.
