CHAT INSTRUCTIONS FOR THE COMBINED CHAT SITE

For those of you who cannot get in at all, you may have to turn your firew entrance.

To addres the above concern. It seems an applet does load stating somet "Warning, allowing the "exe" to run on your computer could cause harm". This is a harmless application, none of your information is being capture prompt by saying yes or you won't gain access. I didn't see this when I e explanation offered. However, some do.

Lastly, be sure you have the latest version of JAVA running on your comp JAVA for free, at http://www.java.com/en/ (do not get a chance to verify this address

You will need a user name.

When you first arrive it will ask you to type the name that you would like

Unfortunately, if you try a generic name that is well known, chances are creativity is a must.

If the name you desire is already taken, the system will boot you back to again. In order to get a name other than Guest#### simply type the comm name.

So in my case I would type /nick suzyq.

Try and use a unique name so that it is available. It can be bothersome t over.

Once you have changed your name to the name you wish to keep (if the n while, you know it is available to you) then simply select from the pull d type text to the chat-room, the pull-down selection labeled, "Nick. Serv. (Nick. Serv. Panel)

Click the "Register" buton on the "Nick. Serv. Panel". Another window wi nickname.

There will be two empty fields; password and email address. please comp password that you will remember for each time you come back to the chat

address and then click the "Register Nickname" button to complete the p

An email will be sent to you with a URL that you then simply place into y
enter/return on your keyboard and hence your user name and password w
and ONLY you will be able to use it.

Keep in mind though, that after 21 days of inactivity (not logging into ch
reset and open for others to register it for themselves. Interesting...

Thanks for your patience as I located this information...
Cute, everyone is a moderator on this site! Fun too! See my next posting
laughs and giggles to be had. I know the night I joined in we teased Scot

Thank you Scotty! You do have a heart of gold!
Blessings to all,
