The Idea I have wasn't mine, I only browsed the idea, if you know what I
I had a problem that needed an idea and it popped into my head from no
I did also hear though it is for 'after??', so yes what you are saying is c
I have taken the idea to both a technical university we have in my city ar
funding for inventions, both are unsure if it would work and say I would h
which on both is a positive.

Yet we need worker as the Harvbest is huge now and still no workers.

You see me personally I have over 10 inventions that are worth loads, ye
fame.

If I can establish this site and the inventions into a charity(if you unders
make sense to you) Then all can go to the causes of God.

I know we all have our diffrences in odd things, yet one thing does remai
and there is no such thing as chance.

We all believe in One God if we get more of us, as you know there is.

I beleieve we are all here to pull this off together!!

So if we all work togther as one then we may accomplish this and more!!
