Hi,

Actually that is what I was looking into when I found your site. I was act
might be a bit premature on this because I just started my site a couple
pretty small. I plan to have a lot of different stuff on my site but it will b
political page, but I may ditch it after the Election. I am just annoyed be
Christians think Bush is Jesus. I do not see the resemblance. Don't like

I am Christian/Gnostic/Towist/Hare Krishna/Buddhist. I say this because
the teachings of the Christian Church want to admit, and that God speaks
listen. Some people hear better than others. Jesus, Buddha, and Krishna
to me. Reading their work is like reading different books by the same wri
the Gnostic Gospels, the Gita, The Tow, and the sayings of Buddha are a
God... not that there are not others, but I have not yet had time to study
such as the Works of C.S. Lewis, and the Works of Emanuel Sweedenbour
inspired but perhaps to a different degree.

My background is Assemblies of God. I started back in the early 70's and
Freak. I felt really disenfranchised with the church after the liberal, hipp
legalistic right wing political nonsense took over again. I tried other chu
or worse. I finally looked for Christian Fellowship on the web and found
which is a discussion of eastern religion on LightMind. After all the argu
Forum, I found the spirit of Christian love and peace on this eastern site
finally. They were able to explain it to me, after years of trying to under
really getting it.

I honestly don't know a lot yet. I have met some people on different foru
enlightened, but most of them are just nuts like me. I at least know I am
a more than I did. I want to be a wise teacher some day, but right now, I
knowledge. It is funny that just when you think you have all the answers
realize that you only put one more piece in that 100,000,000 piece jigsaw
really well... I thought, but then I found a deeper level of it, and started
concordance, looking up every word in Greek and Hebrew. I started readi
and then the Gita so now I have a lot to study.

I really appreciate some of the training I got in my old Church, and the f
and taught me to pray, and have a rich spiritual life. A lot of their teach
religion, though they would be upset to hear that. I think most spiritual p
universal. I have a good spiritual life, though of course there are ups an
some things that are at least semi-divinely inspired.

Here is a link to my little site. As you can see I am also a graphic artist
