Summary: Our religions in the world used entheogens to directly connect heal many ailments.

If we align what we now know about entheogens in modern neurology, and within the religions, until things became mistranslated, we could fix soci

Entheogens comes from 'En' meaning 'In', 'Theo' meaning 'God', and 'Gen

Psychedelics can cause the brain to become more activated, and allow fo neural-pathways. Cannabis can create neural-regenesis; where the canna within it regulate neural-firing, whilst harmonizing the brains developmen

With an advanced study of many of the world's religious texts, we can sh cannabis were being used to increase human potential. On the other hand ideas banned alcohol, and the eating of death (meat, vinegar, etc), as it makes our whole system less efficient.

Within the Dharmic religious texts they drank Soma, which gave them goo connection with the Divine. Soma was most likely fly-agaric mushrooms, boiling the poisoning out of them. Plus Bhang, which is a drink made with

The Zoroastrian texts have Haoma, which is clearly described as resembl the cannabis plant.

The Bible had the Holy Anointing Oil containing Kaneh-Bosem; this is wh the word Cannabis - which was a Greek transliteration from the Semitic c hemp from. Places like Canna were known for growing vast quantities of for sackcloths, rope, etc for most of human history.

THC is fat soluble, so when the Holy Anointing Oil ingredients are combi myrrh, Sweet Cinnamon, Cannabis, Cassia, Olive oil), this causes it to b compound - thus increasing the healing potential of each, and basically m

The Shewbread in the Bible was made from a mixture of sprouted grains, bread, where it matched Ezekiel's (4:9) Bread recipe (wheat, barley, bea Because when the grains are left to naturally proof, they created ergot o psychedelic; yet also lethal, unless the ergot is boiled - so the Shewbrea baked.

The ancient Greeks as well as using cannabis, had a place called Eleusis a barley drink called Kykeon, which was able to increase human intellige mystery to what they performed there. Many of the intellectual Roman Em there, as well as Plato, Socrates, etc. Plato said 'if it wasn't for our Kyk democracy.' Kykeon was where barley was left in a vat of water, with a b process, and then it was left until the liquid went black. This was then b Shewbread process, and Pennyroyal was added for flavour. Kykeon then l ergot is where we got the idea for LSD from.

There are many other religious cultures around the world, that we can sh cannabis in many of their ceremonies, and advanced psychedelic usages the Divine.

The reason this knowledge has been forgotten, and mistranslated, is bec most of society, and kept to the elders in multiple cultures. This has the remembering these ancient practises, and so it has become lost in transl

David started sharing the Shewbread with the people, as to make a more not just an elite class ruling over them. Yeshua shared the Holy Anointin it has the power to heal many things, like Cancer, Leprosy, MS, Epilepsy Asthma, etc. Many think it was only Christ who healed people, yet the Di out healing people with the Holy Anointing Oil, and this is why they were ones). The early church in James 5:14, also were saying if you had an ai with the anointing. Since now with our knowledge of the biological effect can show that cannabis can cure many things, we can show it wasn't all j random in some way, yet a calculated science given to us by the Divine i
