Summary: The Bed of Adultery is that the Pharisaic authors (John, Paul, Christianity s concept of Vicarious Atonement - that we gain salvation th death; instead of what the Messiah taught being the standards.

The wording 'Bed of Adultery' is stated in Revelation 2:22 as before the understood by many that the contexts of what is being talked about is su those who've ruled over Jerusalem, have made the Messiah into a Snare Adultery.

In Isaiah 28:20 it tells us that it is a 'Bed stretched between the posts', the words 'Rumour' to 'Rumour' (Isaiah 28:9-19).

In Isaiah 28:21 the words often translated as 'strange act' (zu r - H2114 translatable as the word 'adulterous'.

Thus in Isaiah 28:20-21 it states it is the 'Bed' of 'Adultery', where betw 'Rumour', it makes what is called a Chiastic structure - a crosswise arra words.

The prophecy relays that the religious leaders drink alcohol (Isaiah 28:7 understand the advanced mechanisms within their religious texts (Isaiah defiled the concepts (Isaiah 28:6).

Within the connotations presented with the book of Isaiah, we're told wit Immanuel came to lay a Snare by his Testimony, which shall be sealed up (Isaiah 8:14-16) - where those who speak to the dead on behalf of the liv have the light of God within them, as to be able to see it properly (Isaia

The wording found in Isaiah 8:13 'Snared and Taken' is repeated in Isaia contextually linked.

The start of Isaiah 8 relays that Zechariah son of Y+Berechiah shall cont in Zechariah 5; where there shall go out among the nations a large scroll those who'd steal what isn't theirs to swear false oaths i.e. Christianity to claim that they're entitled to an inheritance (eternal life) from his dea

As the return of the Messiah I'm sent to try to explain these things to try 28:5) as a Parable of the 'Fig' before 'Summer' (Isaiah 28:4); where I wa God as a child (Isaiah 28:9), as the Judeao-Rabbinic Christian ideas are

Pharisaic Judaism declared that he came as a sin offering, is literally st
makes God grieve, when they've taught such a thing.

This is where in Isaiah 53:1 it states, 'who would have believed the rumo
of the Lord be revealed'; this wording indicates that there is more to this
where it has additional factors to the side, that the arm is pointing at.

Within the Law there are no allocations to beat a man (Isaiah 53:5) or sa
is abomination to murder God's messengers, and then claim that is a holy
saints as precious in his sight (Psalms 116:15).

The word 'Rumour' (shemu a h - H8050) in Isaiah 53:1, interlinks the Be
28:9-19) from 'Rumour to Rumour', showing that the connotations of Isaia
create a Snare by the Pharisaic lack of moral comprehension.

In Ezekiel 7:26 it warns 'Rumour upon Rumour', showing that prophetical

Ezekiel 7:26 also relays that the Priests have forgotten the Law, and the
departed from the Elders; it is also part of prophecy that the Messiah ca
on us all (Isaiah 30:13, Isaiah 58:12, etc).

Now not many people are aware that the Gospel of John was made up by
the writings of Paul, and Simon petros (Stumbling Stone) are both Pharis

God knew that the Messiah would be executed by the religious leaders (Z

By the religious leaders declaration to reject the Messiah they broke the

The idea of saying God requires sacrifice is what Balaam did wrong (Num

meaning the 'Poor Ones' to fulfil Zechariah 11:11.

Yeshua stood against the religious leaders murdering prophets, and then
the prophets deaths counted for atonement (Matthew 23:27-38, Mark 7:1
the Pharisees would do the same about him in the Parable of the Wicked
21:33-46, Mark 12:1-12, Luke 20:9-19).

The Book of Jude 1:11 references that they murdered their brother like C
reward from his death like Balaam, yet shall be destroyed like Korah for

Because Christianity is based upon John Paul Simon petros, it convinces people that they're g
to be saved by Yeshua's death,where this completely overlooks that it de
in the process, and breaks tons of religious principles.

Now for the clever bit - All of this was prophesied to happen in advanced
as an education tool by the returning Messiah:

Simon was called 'petros' (a small stone, like a pebble) by Yehoshua/Yes
Zechariah 3:9, that Simon would mislead people globally.

Yeshua was paraphrasing Isaiah 8:14 in Matthew 16:18, when he said "on
(petros), and on this Rock (petras) I will build my church down near Hell

There is only one time Yeshua called Simon 'petros' in the Synoptic Gosp
authors 'peter' has been believed to be a nickname, as they didn't realiz
prophecy in most of his wording.

In the Parable of the Seed Sower (Matthew 13:1-23, Mark 4:1-20, Luke 8:

Yeshua prophesied at the end of the book of Luke 22:31, that Satan had

Simon was known by the Sanhedrin, and on his way back from the Sanhed
Yeshua 3 times (John 18:15-18).

In the early Church at the start of the Book of Acts, Simon helped James
community; yet then there is Midrash stating that Simon joined Paul/Saul
we see in Acts 11:25-26.

Saul & Sheol are spelled the same in Hebrew; where just like Hades in th
after the underworld (Hades), and Hel is named after Hell in the Norse re
named after the Devil.

It has been completely overlooked that when the people placed King Saul
the Devil to rule over us down near Hell, and then God decided Saul was
David - as he cared about the Flock of Israel.

The Sheets of the Bed of Adultery (Isaiah 28:15+18) say that 'Saul/Sheol
Corner Stone' into a 'Covenant with Death'; where when Judgement come

Death won't save anyone, instead people will be condemned to outer dark
listened to God's Laws, and the Messiah's Testimony (Isaiah 8:22).

Just like we have King David Vs King Saul in the Tanakh, we have Yeshu

This same applies with the New Testament, where it has been ordained &
IQ Test, where we have the Synoptic Gospels on the left, and then the fa
right; just like in an IQ test we have a series of patterns that fit togethe
obscure pattern that doesn't fit the sequence.

This same exam is continued within Paul's writings, where he contradicts
put forward.

Simon's contradictions are harder to see, yet it is as Yeshua said to him

The Gospel of John being made up by the Sanhedrin with its many "I Am"

world.

Yeshua prophesied in the Synoptic Gospels that the first thing that would
deceived' by those claiming to be him, using "I Am" statements (Matthew
21:8).

The Sanhedrin believed Yeshua was claiming to be God by using "I Am" s
(Luke 22:70), whereas if we examine what Yeshua stated in the Synoptic
to the God Most High as being the "I Am" (Matthew 20:15, Matthew 22:32

There are no Parables within the Gospel of John, and a totally different
we examine the character within the Synoptic Gospels, the Gospel of Joh
character.

Yeshua knew that they'd forge documents about him afterwards, saying th
audacious "I Am" statements about himself; this was also prophesied in t
Tares (Matthew 13:24 43), that from the time of Yeshua's Resurrection, t
teachings planted along side his own.

All 3 Pharisaic authors John, Paul, & Simon petros taught Balaam teachi
1:11), where they've implied that the Messiah came to die as a sin offeri
of first degree murder, and assuming God requires sacrifice.

When Yeshua tried to say he was a Divine Being (Eloh), because the San
muddled up since Babylon (as prophesied in Deuteronomy 32:15-18, Isaia
32:7-9), they didn't understand that they murdered their Creator Avatar (

manifest through their Messiah.

The Bed of Adultery as stated in Isaiah 28:19 shall confuse everyone, an unlock the mechanism to fix it; it is possible through education to show a and then instead of a destruction through a Judgement Day Fire, we coul become an enlightening fire, where the Messiah makes many question wh (Isaiah 52:15).

Part of the reasons it is the Bed of Adultery, is because the Creator kne as an Avatar, where the 'Builders would reject the Chief Corner Stone' (P realized that they'd killed their Divine Being; within the confusions this

This theological confusion has made the Rabbinic Jews reject their origi follow their own made up Divine Being of legalism (Deuteronomy 32:15-18 concepts of the God Most High (El = Source) being above the Divine Bein 32:7-9).

Now it is potentially possible for the Messiah named after the Creator (P these mechanisms, and restore the original theology (Isaiah 29:23, Isaia people upholding the Messiah like a Banner, we can unite the world's rel destruction, else soon mankind will cause World War 3, where at that sam comes as Betelgeuse goes supernova.
