Hey I am completly lost. How do you stretch an E-flat? What on earth are
know about sounds tho. In America our government is bombarding our pe
and creating sickness and disease of all kinds on the masses. All our ho
there are so many sick people in america. Much of this sickness is from
hear, produced by evil people hiding within our various government depa

Now I know there are healing sounds also. Its just that someone has four
bombing my country with them, too make trillions of dollars from the med
world up with this excess money..Thats what I think is going on. Whoeve
the medical industry and pharmecutical industrys also. Sounds, energy w
it all means something doesnt it?

Its curious to learn from reading about 400 books on metaphysics, that t
each plane corresponds with one of the seven octaves on a piano. The cr
corresponding 7 astral planes, are in harmony and the same frequencys o
That means sound is tied to everything concerning humans, seen and uns
