The real Love of Heaven...

Part 1

Skipping forward some, I am intrigued by the king of the jungle, the migh keep many females in his pride. It is the way of the jungle to do so. yet, this on earth yet. Some do and it works for them, we are told. Others go told me once the Angels play as the lions do, they come together so natu wedding bands or rings that bind and torment, no contracts, no grasping them is as free as with the mating of lions. It is as free as the cultures think of as primitive, yet do they not hold more of the greater truth? If it loved, then why not love all who vibrate at our same frequency and stop please just one mate. Stop the insanity of marriage and be as a small ch again, be free to find happiness and joy, pleasures and delight, do no ha alive again. The cool thing is your are free to choose. I may just chose d you see.

I too have died and come back to earth again and understand what it is l we exist in. More than most, I suppose what happens is you appreciate e the fullest extent, knowing this may be the last breath or experience you choose not to miss a single one. To breath in each experience and take n things I'd nevr have considered before I died. I live life now moment to m simply was alive. Life slows and is serene and still when you can see thi was capable of love, now I am the embodiment of love. Argue if you wish it back within my heart to share with each of you. I do not fear death, im Looking toward new beginnings while cherishing the sunset, as well as, e

A time to sleep, a time to love, a time for all things...

Goodnight,
