I think Yashua did keep it simple. I am a christian, by that i mean a follo
fit in with regular denominations tho..Seems i am always at war with thie
sacredness, immortality of the wicked and false religious spirits in the s

I feel the seventh day (sabbath) is sacred, that the wicked are not immor
tested to see who they are! The bible seems to be tampered with, some p
is enough there to get the job done.

I feel; Its not the bible that seems to be the problem..Its mans private in
and false spirits in the system, that twist everything around. They cant g
know the bible now and can put the truth in the light really quick.. And t
most churchs anymore..Its like a war zone when i go in one of them; beca
the fake doctrines, using the same bible they do.

Its at that point a wicked spirit usually steps into the leader, to get cont
wouldnt believe what i have seen in these places.

However i do honor Yashua as Gods only begotton son, who came and die
earths delimma of insanity, corruption, greed, and evil! Thank you Yashu
