Keywords: Poetry

I think, I reason, I infer, I assume,
I provoke, I proclaim, I inspire, I presume.

I secceed, I fail, I worry, I guess,
I interpret, I examine, I judge, I asses.

I trust, I believe, I forgive, I forget,
I retain, I repeat, I support, I upset.

I imply, I confirm, I submit, I implore,
I subject, I resist, I grow strong, I endure.

I sense, I feel, I smell and I hear,
I taste, I see, I doubt and I fear.

I ask, I suspect, I get hot, I get cold,
I find, I attribute, I connect, I grow old.

I break down, I repair, I create, I destroy,
I suppose, I suggest, I dismiss, I annoy.

I lend, I barrow, I take and I give,
I confront, I take blame, I go back, I relive.

I eat, I sleep, I come and I go,
I convey, I accept, I reap and I sow.

I question, I wonder, I laugh and I cry,
I learn, I teach, I begin then I die.....
