Wow that was cool Wiz, thanks for that info!

Where was I , that pixie dust did something, is anybody lifted higher ywt to the highest God, and using our bodys and spirits to channel for that, s earth, to lighten the path; is awesome... We have different names for suc believe there is four in the Godhead, after 35 yrs of data collecting on th (each to his own level), because even Romans tells us we dont have ta k as we listen to our consciousness inside of us. Jesus taught to build eac including enemys (but beware-protect yourselfs); and to follow the golde

There are different levels of awareness in these areas. I mean,"what am one of heavens UFOs parks over me and transports me inside for 30 seco How many levels are there? I realize what ya'll are saying. Pple talk thes around..Part of my awareness is the fact, its always been about; letting come inside us, to help us become channels for that path of LOVE, right out, ect.. Granted many personality types are drawn in.. Even crystal wo energy channelers. However I fell in spite of all our gifts, scattered thru gift of all is to channel diety. Or Our Father, Mother (holy spirit oe "El S Shekinah (holy ghost).

Human bodys are made for channeling by its basic electricl system of lig system, breathing, chakras and piller of light. We costantly channel one powers can and do channel thru us as various ways at various times. The depending on the level of awareness; and your predestinations in life. But I know ultimatly this war between light and darrkness, is manifestation of the God head in a certian human segment. And then it w with darkness. Someone said the light will be here by 2013, that sounds some of us in training now, for the paradygm shift. There are many level

I have to honor God and the Goddess,(El Shaddia) along with thier begot Shekina for bringing me into this light. 5 years ago; I had died inside an myself at God and said, its over with.. In that stateee I was led into the shocking revelations re-awaked me. I didnt know how to do those things

It was operating from the precept; of allowing our creator to channel thru

death I wanted. That allowed them to take me higher, into metaphysics. N

Now this would not have happened if I had not allowed the higher powers
Godhead to take my spirit and do it! Man they did..Be careful what ya pra
