cannabis is being used for medical purpose again as God intended, and a
used throughout the Bible.
We feel this is the missing part of our society that it is not holy and this
if made more public again as should be.
Now Cannabis is not what they call an intoxicant as it joins to the Canna
as a natural process of nature.
Now within the anointing oil in the Bible this was officially announced in
University; yet is observable in any Strongs concordance or lexicon as th

This is also the case in the Quran, yet only verified by me, so far yet it
in which the miss translation had been put into the bible as we see.
As with this being the case the oil in the Bible made correctly and holy!
Is far better then cannabis alone as most of the other parts also heal an
It does say in Mark in the bible that disciples healed with oil and Christ
Christians means anointed ones, not a religion yet a way.
So instead of these being against us they need informing correctly that i

In Hindu texts it is part of the soma and the ancient anointing oil.
In the Quran there is the word Zanjabil =ginger and Kafur = Cannabis as
known for growing cannabis as was Canna in the bible.
Also they put henna is sweet and aromatic which it isn't to taste, yet can

In Shinto it is the holy plant and most items are made of cannabis and he
ancient also is made with cannabis.
So in most of these findings it can all be backed up!
Yet single handily, we are useless alone..
Yet as people who stand together and remind everyone life is precious a
ill and people who suffer.
If this is allowed back into society and back into being regal as it is the
the bible yet disguised as it is to anoint.
It makes a compound when mixed with oils as THC, the active ingredient
