It's really strange this site?

We have well over 700 unique people view the site daily....

We did add a counting systems on here.. thinking people would stay if th
also...they might think twice...and post yet nothing....??

So added who is online, yet with that my self spend more time looking wh
saying anything...

So now that is gone...now all that is left is a forum that counts up reads
new submission of it's self, yet sits at the top of Google as this site do
of links we have been adding and don't stop
...

Still seeking loads more if any of you have a site...and for each feel free
that is listed on Google...join and fill in your profile on here also works
now description to show off or display who or what you are about....

Yet point being we try and work hard to make what you see with the hope
of you have enough confidence just to say hello....

Funny bit is those who we went and added their own shop to here, have
success already from having an instant search engine listing for what is

so come on say hello, the worst that could ever happen is will tell you to
even then if people are reasonable so are we....this isn't like a site that
and egotistical...and in fact where as everywhere else we get our self ba
injustice that stands....

Here we expect that to stand for what is right even if you are standing al

Guess that's why it is just me whom posts on here to stand up for truth a
faith...
