Ok still changes going on lol...how can I make my mind up for us?

changed back to wizanda? why google likes things named with the url...w
wizanda.co.uk...must be the only person whom gets a high page ranking a

Wish some one would answer...then might not keep trying to organize run
somewhere for others to learn from...as it is nice to see so many others
sites..."remember the day when i were a lad"...

Well things are moving on a long way and hopefully some input will come
need or wish to find in a site?

wizanda is going back as name...shame yet can't change now and when i
perpetual fludic motion generator...then it will all make more sense (it's
electric; bit like me
...yet if no one posts....me waste more time looking for people to ask teh

So since most of you come here from links saying wizanda something mig
are doing...as after filling in the web with wizanda...z it is a bit pointles
we are continously working for the good of many...any help feel free to s
anwser if the topic and heading of post is intended for end user...being t
direction...things labeled well help others and create a better understand

so anyways tell us what you think only way to learn is through mistakes..
day...the sites change goes like workshop for Xoops also...so any new de
here...another reason why wizanda...as we are global anyways....doing th
