I do not really think that it's a problem with Paul and to that extent not w
Moses. I think it's a problem with those who calim that they are excuting
his bidding.
For us muslims however in the Quran it states clearly that no religion is
God wished God would have created all nations with one religion, the co
good deeds -what ever good deeds might be- and in my opinion that's a c
christian and a jew could and will enter in the kingdom of heaveans same
steadfast in their believe and commited to making good deeds.
The Quran, being modern or old cannot be altered, as we muslim believe,
protect the recitation after it's revelation. may be we can miss interpret
God's word for God will never permit or allow this.
And finally fighting to eliminate the horror and terror inflicted on anyone
duty of every willing and able person, to the point that God said in the Q
who died defending His way (this is my own understanding- spreading mis
things) as dead, but forever alive, and this is a promise that was given
and Quran, as the Quran said.
Now truley I do not know, nor I can argue for the people of the Torah or
Gosples, nor I can argue for the people of the Quran, but I'm wondering
why do I want to stop a war that targets the elimination of evil, specially
winning ?
