Agree Religion is not Spirituality, yet one started the other...

As in spirituality started Religion.

The commandments were Egyptian or older...Moses stole these and since
countless books trying to end that, what was set in place...by said phara
government all the same all hierarchal....

Funny you mention us so much in that we are Zanda you know this? So sp

So religion and government are one....

Spirituality and life are one...
as all spirit life's...that also includes what people call death....yet havin
is not death....this is the beginning as after death of this life and under
and having lived unconditional love, with all....

Then that is what ascension is all about...

Very concerning me when we have countless millions jumping (I) want to
with what...who will keep you company when all these millions are wantin
