Rationality will help us understand our world around us. The law of cons
"matter cannot be created neither destroyed, it can only be transformed"
whatever exists, always have existed, since you cannot create matter out

In my experience, God is a soul. A soul who never takes bith in a body; t
dualities and experiences that otherwise, we human beings have to go th
souls too, but we take a body.

A soul cannot create matter, becasue matter is not created. (law of cons
God's task is to remind us who we are. In this world of dualism, we have
Therefore, we are body conscious (vices of greed, attachment, lust, ego
conscious (peaceful, blissful, loveful, knowledgeful).

Once we understand that the world has always existed and always will bu
different changes, then we see that this is consistent with the law of con
time as a cycle, we will see that time is eternal; time is change and mov
a matter of fact predestination in cyclical time means repetition. In othe
recurrence... this note I wrote before, and I will write it again, once the
and I will do it again and again....for eternity.
