I keep seeing this and though once upon a time, I use to think that was t
the Bible.....

Then after doing so....it isn't as clear as many perceive.....

You know how Christ said many would follow the wide road and it not be

Well these are Christians!!

Lets put this into points.....

1) How anyone can say it is right anyone is murdered to cover another's

All of that isn't even spoken by Christ it is spoken by a group of Pharise
are all false and easily prophesied before Zechariah 11

So before we say lets put them all in one basket and lets have peace...h
them is clearly against the rest....

Christianity clearly steals an inheritance.....a cross is a symbol for Go
especially in ancient Hebrew where it means a monument or statue.....

It represents the time lines east to west, and future and past with us sit

So fair lets include the cross.....yet now knowing and seeing what evil
proclaim them self's in each time they proclaim it is right a man died for
Christ and the Bible stands...it is massive set up for them all...and most
are here this is hell or the middle ground....as Christ said.....yet Christi
are the ones making the place worse...taking way out religious ideas and
after....

it is very clear that a religion doesn't make a person, it distracts.....

a love of oneness works and a love of ego is the opposite and so lets re
ever get anywhere.

Guess what I am saying is it is One love and it is just that, I find it very
completely when they would murder you, if they could get away with it!
