Slowly, slowly, keep making odd changes around the site to make it easi
hopefully one day people may use it...

Just now made it so all Wiki pages go to the Wiki home page instead of Sandbox as then it has one
main index page for all added words, this is due to Wiki Words like Spiritual Guidance to make

We were going to do this earlier, yet ran into problems with the systemat
used, now that Wiki have evolved this is a lot better.

The site has two or three concepts running as one now and still more to

Basically here is how, as Anyone else your own, you can store and draft copies before
only you can edit those....they can have multi-pages and have Tag's advanced
built into it.

From that or on the Forum you can also surround any word with]] on both sides an
instant Wiki page like this is doing.

The Forum is for Conversations and any thing to talk about our sort of pieta Blog, at our sort of pieta
equally and not comment, when in fact we want to contradict and to something to what is wr

The main thing I would like to say is anyone fancy expressing your self a
systematic guide for others then feel free to register and join in...
