Thinking the other day, how when we are giving to many of these big cor
fact making our self's richer?

when it should be about giving back what we have taken, to the poorer c

where we have treated their peoples as slaves in the past and now we g
saving the world.

Strange isn't? it if you understand what I am going on about, that when v
deceived these people in places such as Africa to begin and then torture
slaves.

So anyways that bit first, and then we give money to a big major compan

One we have managing director in many of these charities, that have lon
have vast amounts of money, as much as many of our major companies d

So making them an authority you would think?

we could use that to finally once and for all, give back and make all stra

Yet how do they give, I am not putting down charity in its giving, yet the
and people not learning it for them self's.

which now many charities are getting to gripes with that it is no use just
how to develop crops and orchards more importantly.
To then fix the irrigation system of a broken heart, as is Africa which sh
should the Middle East.

So when we give in charity should it be to fix all of that, so after the ma
all fought; should it be about getting all of it repaired?

Now I don't know about you with Tax's also, yet we give them to have a b
case shouldn't that funding be for charity?
There are wars going on and military exercises, which none of us real pe
military (games) etc.
And instead make these people care workers of the land and other people
true Charity to begin.

That is by example as the other post is saying about, not just action that world a better place.

So imagine a true charity, where it takes what has been given and gives some big corporate building, yet the people and the reality of helping.

Not all charities are false, yet many are and to gain more sales, (as I wi you a pen and paper through the door; in the hopes of getting more vast

This happened to me from one and won't say the name; yet phoned straig could remove our mailing address; as we saw it as a vast waste of money charity resources, if we were to give.

so they replied how everyone got one of these...
so now, not only is the charity not doing it's job; yet costing pens, paper pressed pamphlets and flier; costing us more trees and the vast resource

So I ask you is charity really about the poorer getting richer or the riche As we donate to our own charities in our own countries, shouldn't these that needs the help?
That would help us, mess up all the political money changing around the encourage more growth in the poorer countries, through the vast amount wasted in our own countries, giving to already rich charities.
