Sorry I got mad.
Just needed time to cool down and evolve a little~
When you really love someone
you would rather let them off the hook and lose them
then to cause them pain.
The curse is off~
Neither I or the rest of me bares any grudge so don't worry.
You go your own way dear heart~
But I sure hope you're at that party!
I did say I would have waited 1,000 lifetimes for one moment in your arm
And you know what?
~It was worth it~
