As I dive into my reflection

From the spring of heart,
May the ripples in the mirror of soul~
gently wash the fabric of creation~

Love each other
Share your Gifts
Kill not intentionaly
Eat not of my Flesh
Know Nothing with uncertainty (trust instinct)
Exercise Virtue

Don't think twice before you listen to your hear
follow the trails rite from the start~

What you need,
and everything you feel,
Is just a question of the day~
In the eye of storms,
On the sea of lonely dove,
the experience of survival
is the key
to the gravity of Love

Who in their rite mind wouldn't want to be Loved?

My door is always open, as is my heart.

"Never look a gift hourse in the mouth"
