It is VERY important to know the race of Adam and Eve in order to believ
creation story of the Bible, of course; many have argued that things shou
then what should be literal and what not? who is to say what is?
It doesn't matter who cares or who doesn't. Any inquisitive mind will hav
that nobody knows the answer. Logically, if Adam and Eve were a certain
the other races appeared in 6000 years.

As I said many times in different posts. We cannot be created. We are so
according to their karmic accounts (actions in previous lives). We didn't
because we are souls. However, souls can be soul conscious beings or b
(which is our current situation) Science says in its 1st Law of conservati
cannot be created neither destroyed, it can only be transformed. It is so
eternal? It is so hard to understand that according to this 1st law matter
logical, reasonable and consistent with modern science.

Eternal means that you cannot be created neither destroyed. You, the so
