Though the Quran was to be recited, Yeshua condemned us making repeti
of reality (Allah); as it wastes time, it isn't being direct.

*Matthew 6:5-8 "When you pray, you shall not be as the hypocrites, for th
the synagogues and in the corners of the streets, that they may be seen
you, they have received their reward. (6) But you, when you pray, enter
having shut your door, pray to your Father who is in secret, and your Fat
reward you openly. (7) In praying, don't use vain repetitions, as the Gen
they will be heard for their much speaking. (8) Therefore don't be like th
what things you need, before you ask him.*

Allah hears all of our thoughts, as it manifests reality at a quantum leve
Quran was during prayer times, as it is meditative rhythmic patterns, tha
the audience, who then pray deeper.

Prayer is about direct connection in meditation (Salat).
