Dude here, one time I dissapeared and reappeared about 5 miles, on the satanists who were chasing me. Its a long story but the short version is trouble, when I takled about something forbidden over the phone,to some phone was monitered. Anywho about 2 days later I got chased about 600 40 different vehicles with the bad guysin them. I'd lose em for awhile, bu eventually. I made it to my home and 3 days later left to go into hiding f end road. I knew they would be waiting for me at the intersection. About I started praying to God and Jesus, to Help me. It was a short prayer, ma As I finished the prayer I looked around, and didnt recogniz where I was I soon realized I was about 5 miles, on the opposite side of this dreaded how I got there, or my huge van, I was driving. Antwho I made my escape months. Satan keept waking me in my sleep and such, even then, ya cant went into the desrt by myself and called him up, and rebuked him, wrestl finally got the victory thru Jesus Christ. Its been ok scince then.. I am a we serve, I am a sinner like msot, but I am saved by grace and love. I pr Yashuas name, for their grace and mercy to us.

Let this be a lesson to ya, ya never know whos listening in on the phone
