Wizanda is not being mind controlled Dude, although i'm 100% sure the t
"somewhere". You should be a bit more careful in the things you say Dud
fire, expect water to be thrown on you. Wizanda is simply human like the
mistakes, he is going through a learning and self discovery process just
lovely time period we are so lucky to be living in. Just cool it down Dude
instead of telling someone they are being mind controlled, you may get a
don't desire. A bucket of water, mixed with a bucket of water gives you 2
as opposed to just one, that would be helpfull if you were in the desert d
on this planet and we need some answers, so let's not put each other dow
together and have 2 buckets of water while trying to understand each oth
like grown ups. Peace, love you guys, take my words of wisdom to heart
