Hi Wizanda, This is Dude here. I got to add a few words here, probably
out some things that ring true about national I.D. cards and such. During
issued a blue eagle card. You could not get rationed gasoline or suger a
showing that blue eagle card. Its to easy to contoll people because to ma
thinking they are doing right.

However the mark of the beast is different. Its an issue that satan and G
since the fall of Adam and Eve. In the first week of creation God gave Ad
sabbath as sacred. Satan came along and got mankind to drop saturday,
sacred. We know of Ra, the sun God of Egypt. Most ancient empires wors
of the sun, or sunday. Satan is also a beast, and his day is sunday.

Now nations are also beasts as told to us in Daniels visions. The ang
he saw coming out of the water were nations, empires, ect. To refresh ou
them real quick. The first beast was a winged lion, or babylon. The secon
medo-persia. The third beast was a leapord with four wings or Alexander
was like a dragon and it was the roman empire. As Daniel watched he saw
of this dragon, and it had eyes, and spoke blashemys against God. The n
the papecy, the one that spoke blashemys against God. They claim their

right to change the bible, hence its blashemous, just like Daniel says.

Now the early church kept the 7th day sabbath as sacred. The vatican

a beast, and its mark is sunday observance. Now revelations talks about
This would be apostized protestanism. When the papecy finally infitrates
the protestants into our governments, it will be to pass laws to protect s
christian sabbath keepers. The day will come agiaqn, when some of us ca
because we refuse to drop saturday and accept satans day of sunday. Th
during the papecys reign, and is prophesied to happen again during the r
beast" or protestantism.

Its actually the vatican doing this, but is using gullable, ignorant pro
dont know why the papevy hates the 7th day sabbath. Maybe they are sec
to be christians. They will use our national I.D cards to block buying and
issue, will be the sabbath versus sunday, once the laws are passed agian
ages. So basically what I am saying is that sunday sacredness is the "ma
the beast (catholics) and its image (protestants); who are the players he

The good news is that God is going to set his kingdom up on earth, durin

the mark, and most can escape from the teirrany by going into the kingdo
coming kingodm. But first there is tribulation to go thru, before it finally
will brake lose, as satan trys to contoll the masses by laws and edicts, t
there. Untill that day comes tho, we just hold fast to what we got, and ke
