Hi wizanda, this is Dude here. I want to add to your comments about c tells us that whoever recievs the mark in their forhead or their hand, wil there is no way you or I, or anyone else for that matter can stop a dozen down, injecting us with a shot of sleepy time stuff, and then they put a c this bible verse about recieving it in the hand or forehead must mean so

The best description I have seen of this goes as follows.. When we rec forehead, that is where the brain is, meaning we agree with it in principl decision in our minds for it. That would be recieving the mark in the min mark in our hand, is a different matter. We use our hands to work with a when that verses was wrote.

To recieve a mark on the hand means that you dont agree with the po forced upon you. But ya go ahead and accept it so you can work, buy and recieve the mark in their hand, dont agree with the policy/law, in their m they can buy and sell. Those who recieve it in their heads, believe and a thing. Thats the difference. However both classes will not recieve eterna

The mark cannot be a chip, or a tattoo like 666, ect; because we cann down and doing these things to us. So the mark has to be something else that some agree with, and others dont agree with. Thats why I say forced mark of the beast. The catholic church is the fifth beast in Daniels visio to change the bible; is sunday sacredness. This is even in writing at the writings. So the mark is sunday observance, forced by law; versus Gods keeping.

Obviously they will controll us by forcing a national I.d card, chip, or mark because we have no choice in that.

The mark has to be something we can make a choice about. And thats we make the wrong choice, we will not recieve eternal life. Sunday sacre beast. You'll see I am right about this in the near future. There is alread laws to protect sunday because of gasoline shortages.

It starts as an econimic thing, then later becomes a volitile issue. By unless I drop the sabbath and keep sunday. This has already happened d the catholics murdered people who went to church on saturday, and refus sunday. Its going to happen again, according to the prophicies. Anywho, some. Because denominations have #OOPS#ized and confused this issue they would, they keep sunday and curse the sabbath. Remember the mark

we make a decision about, it will a religious principle.

God bless you Wizanda in your work for Yashua...peace
