Hey Wiz, wats up? Your right about those conservative sites. It took m to accept me. Once I told them about Ufos and the third eye and chakras a witch, and said I needed Jesus. So I would confess Yashua as my savio that stuff. Some got very hostile, never accepting me, while a few others accepted me, but with resevations I am sure. Its sad wat has happened t These people are trapped, and dont know it!

You certianly made a site for me, and others like me. Praise God for tha

Its interesting about words. I read once where ancient languages were words have meanings. Languages are not math based anymore, except fo Words and languge seem to have come under assault, to controll the mas America, our languge was noun based, which put the power into the peop controlled the courts and judicial systems. They changed the language in destroyed the noun based language. This put the courts and judicial syst judge, and took it away from the people. They did this just by changing f fiction.

If ya know how to do it, you can still go to court and use noun based bench themdselves and not hear the case, if ya do that. Judges take sch language, but it is not taught to common people. Most dont know about it once. I cant believe how things can change like this, and take the power There are a lot of forces against us. But we serve a mighty God, who wil "rejoice" in that. They are not going to win....Later Wizanda...peace
