I only live once, I am going to do great things and be remembered. Once
change the world. Life is one chance, defined by many small chances. Qu
the universe through the notion of non-existence of human life?Answer: T
conceptualization of consistencies without expectation, all things are sim
aware of this we can all become in synchronicity with&within nature, and
harmony with existence. Only when all of us truly understand this, and o
we at last achieve peace. All of us will have finally reached our spiritual
happening anytime soon, but I do see a large change coming in 2012. Esp
relation with the end of the Mayan calendar. Look forward to bad things..
future is like a foggy day, the sun will burn off this fog soon enough. Lov
LOVE! We need some more damn love in this society before we break dow
