Summary: After much research and countless articles on the subject of Christianity; here is a summary of what you will find across this site.

This site accepts the teachings of Christ as true, being the books of Matthew, Mark and Luke.

The rest are clearly to be defined and denied as they are Anti-Christ teachings to begin with and the metal Beast, spoken of in [Revelations](#).

Clearly [teaching as Balaam did](#) as most Christians still do, and expect you must follow this to achieve Salvation

[John clearly was a Pharisee](#); Not a disciple, and [contradicts Christ and the Bible](#) to give the impression Christ or Yeshua, [made him self out to be God](#).

Given the fact John is easily proven as false in many places, the testimony stands witness against its self, as Anti-Christ

It is deliberately bias as to put off any [follower of the commandments ever following Christ's teachings as valid](#).

Simon [peter means stone and Christ named him that for a reason](#), he is the stone of stumbling that mis-taught the house of Israel

As written clearly in Zechariah, not the other way around.[Paul contradicts Christ](#) on so many points, and [many have seen this](#)

Christ Came to cut off inheritance and grace as spoken of in the [potters field prophecy](#), that was clearly foretold of the fake church, would be re-established by the unjust shepherds being these said Pharisees and to establish a city on blood shed.

This is to test many as [Inheritance comes from God alone](#) And [grace only comes from God alone](#); not [a prophet as spoken by Christ of him self](#).

All the rubbish they have made up, has blind the most important points, being unconditional love started when [you were a child](#), this life is for [learning new skills and talents](#) that [your works may shine when you get to heaven](#), the separation of people stems from their teachings, instead of [real love like Christ](#) did. There is only [one True teacher being God](#) of all nations, [get it wrong](#) and [we come back again](#), this is why Christ said go make friends of [mammon](#) and why [not all are sinners](#); all are equal in God's eyes, it's [the divine potter](#); not the clumsy one...as these Anti-Christ have done in

most of their teachings as hopefully some of this now shows. Now when the [Bible shows not to eat meat](#) or drink it very strange when a person called Simon established this in the [books they released in 1977](#), thus implying the [fake communion](#), that Yeshua him self did not Teach
