Summary: The written word of God is the Commandments, Paul, John and Simon cause people to break everyone of these in some way.

In all of the articles it is towards one main point, many believe that the whole Bible is the written word of God. Yet from a lot of these articles you will see, in some cases it is mans interpretation of what they believed God said, or in others their ideas.

Now we know that according to Moses, God with his own hand came to Mount Sinai and wrote the Ten Commandments out, into the mountain side. Now from what the Pharisees (Paul, John and also Simon Peter) have taught, they have caused people to break everyone of the commandments that God wrote, and instead to follow their ideologies. Not as many now believe to follow Yeshua, as he said that we should follow the commandments and anyone who takes from these is the least in the kingdom of heaven.

Now where and why is this, lets go over each commandment and you will see.

1) You shall have no other gods besides me.

Paul said that Yeshua was God, and John said that Yeshua said he was the father.

2) You shall not make a graven image for you, any likeness of anything that is in the heavens above, or in the earth beneath, or in the waters beneath the earth. You shall not bow yourself down to them, nor serve them. For I Jehovah your God am a jealous God, visiting the iniquity of the fathers upon the sons to the third and fourth generation of those who hate Me,

From what has been taught by them, Yeshua and the cross with him on, has become an idol and a symbol for God. From their doctrine they have made it that people worship and bow down to Yeshua, which he him self never asked. According to the commandments, this is not acceptable, as only God should be worshiped and no image can be given to God, Paul tells us that Christ was the image of God.

3) You shall not take the name of Jehovah your God in vain, for Jehovah will not acquit the one who takes His name in vain.

The real point to this is that God is all names, and any name given is merely symbolic as in every country God has a different name. So defining God as a man brings God down to our level. Then people now use God as a swear word; as the fear has gone. For the Jewish the name of God, can not be spoken as it is too holy, where as Christians use it as a pass time. They changed Yeshua's name to Jesus; this does not mean the same and is actually an insult if translated back into ancient Hebrew. The meaning of Yeshua is salvation the meaning of Jesus is a person with two spikes at either side of them.

4) Keep the Sabbath day to sanctify it, as Jehovah your God has commanded you.

Due to Paul and Simon setting up the church in Rome and then them changing it to a Roman mythology time schedule, most have Sunday as their Sabbath, when in fact the Sabbath is Saturday. This changes the commandment and makes it that God's holy day no longer exists. If this were correct Saturday would be holy and Sunday would be a family day.

5) Honor your father and your mother, as Jehovah your God has commanded you, so that your days may be made longer, and that it may go well with you in the land which Jehovah your God gives you.

Yeshua said you should call no one your father on earth, as you have one father in heaven. John makes up that Yeshua said he was the father, and Paul said he was God, so making him out to be the father. Also what many people fail to realise, is that if we have one father, we have one mother, i.e. mother earth. Due to the fact both Paul and John, say we are not of the earth, no one is taking care of the mother which we need to, to survive as we feed from off her, as a child does off its mother.

6) You shall not kill. (Murder)

Now according to John, Paul and Peter, Christ was sent as a sacrifice. This would make it that God set out to murder someone, which is not possible as God is good and could not break his own commandments. Also many, who believe that Yeshua is a sacrifice, agree to the fact of murder, there by being guilty of the sacrifice, as stated by Yeshua (Mat 23:18).

7) You shall not commit adultery

Another act of adultery in much of the Bible is to give your heart to something other than God. This is also referred to as harlotry or prostitution, as the first commandment is to love God with all you mind, body and soul. What the Pharisees have taught makes many believe Christ is God, or equal to God, there fore causing them to give their hearts to Yeshua and not God alone.

8) You shall not steal.

Yeshua taught the parable of the vinedressers and the vinedresser's son, within this he stated that God sent his son to fetch in the harvest; they then killed the son to steal the inheritance. They taught that through Christ death, we have an inheritance. so fulfilling the parable to the letter and those believing they have an inheritance, due to Christ's death, also are blatantly stealing according to what Yeshua said. As to receive an inheritance according to Yeshua, you must follow the commandments and give up your wealth.

9) You shall not bear false witness against your neighbor. (Or do not lie)

The gospel of John is mainly made up and is hearsay, of what people believed he said, this is being taught as the truth, so bearing false witness against Yeshua. John's gospel does not correspond, with the other gospels of the actual disciples. What Paul taught is being taught as if Yeshua said it him self, yet in actual fact Paul contradicts Yeshua, on well over 36 main points, so again bearing false witness.

10) You shall not desire after your neighbor's wife, nor shall you desire your neighbor's house, his

field, or his manservant, or his maidservant, his ox, or his ass, or any thing that is your neighbor's.

I have heard many people, from what Paul taught, saying they desire to have the mind of Christ. Also people quote from John, that Christ came to make it we have life more abundantly. There fore they can have more wealth and possessions, which makes for more desires. Yet what Christ actually said, is to give up wealth and not to worry about the riches of this earth.

As you can see, almost every commandment, which is the literal written word of God has been broken. Why Christ said he came to bring division, and strictly warned against following the Pharisees. Yet what has occurred is that this doctrine, over shadows what Yeshua taught him self, and many people preach the Pharisee doctrine, rather than Christ`s.
