Where to start,
What to write?
All plight,
Must we fight?
I am religiously right!
That is mans insight,
God is love!
Really think?
He could find?
Such divide!
Between mankind!
Does he not bind!
Which we must find!
Truth is entwined!
In all that we might find!
Locked in our mind!
To discern between!
Got to stay keen!
Keep your temple clean!
Say what you mean!
Give up,
Of your self!
Give up,
Of your wealth!
Change of your ways,
Until the end of your days!
