In faith we are standing,  
Tests are demanding!  
Trails are long,  
We lose the song!  
Keep going on!  
Time will tell,  
Who is for hell?  
Its where ego,  
Does dwell!  
Save who you can;  
A modest man!  
This is the plan,  
Our father said we can.  
Not in condemnation!  
Be a better generation,  
Spend time in contemplation?  
Before you teach!  
Careful not to preach!  
Don` t make it out of reach!  
Lean not on your own insight,  
Rather study what is right;  
Keep your mind a bright,  
That we may spread some light!
