Why worry what could be,  
Just think and see...  
Even though we may be a youth,  
and slightly uncouth!  
We look a lot,  
Because we begot,  
What we forgot,  
Of our selves!  
For when we were born,  
We could have sworn,  
We knew more than now,  
Yet how?  
As we had to fight,  
and didn't want to fight.  
It dulled our light,  
So hopefully now we say it right!  
We have seen much plight,  
And still stayed bright!  
Hopefully these poems,  
Bring some insight!
