You're wrong in your ways,  
Your days are long;  
Just plodding along?  
So we fool ourselves,  
Thinking it's easy,  
Soon gets boring,  
Thinking it's you?  
So stop,  
Don't go getting all down!  
Do something to make life's test,  
You're best!  
Don't go getting all stressed!  
One hundred percent,  
Never less!
