Keywords: Poem,Sleep,Dream,Life,Meaning,Choice

Summary: Dreams have meaning to them and all parts have references

From a place so deep,
Within your sleep,
Of whom you are expressed!
To show your soul,
And thoughts of knew,
Entwined in your mind,
That then you might find!
When you`re really put to the test!
And give of your best!
Out it comes,
As your soul just hums!
