Love and passion is our way!
Here is question!
To help you see,
Why we Frey?
From the way!
You have a boat,
Three years you sit,
As a sheep,
With out a peep!
Oh so silent,
Oh so still,
Sitting there Like a Buddha,
On that hill!
So you rock it,
Just to see!
If rocking the boat,
Will set you free!
Help you find out,
Just who you be?
This is a goat!
We hear you say,
How can you know the way?
You`re in a boat;
You are,
A float!
With out the rocking,
You never learn,
How to cope!
Move with the flow!
Balance with the wave!
That you might save!
A farmer has to know the path!
Help save all the chaff!
This isn`t where I am saying go!
Yet why must we condemn?
If learning the flow!
Different path,
From you know.
Let them go!

Give advice,
Yet it is,
There vice!
Only God can entice!
Judge our selves!
This is our wealth!
Get on with our lives,
Instead!
Don` t put people in fear,
And dread!
They will fall,
You bring them to a crawl!
They can` t walk tall.
Don` t take a way there foundation!
Which is part of there creation.
Who they are inside,
Don` t make them hide!
The lord of host,
Really loves them the most!
If they do something wrong,
Don` t leave them sinning,
For long!
Guide them like a boat,
With a piece of rope,
Softly!
So they might cope!
If they start to stray,
Pull them the right way,
With words you say!
Make sure they are punished,
For sure!
Else they might end up,
On the shore!
Could have helped more!
