Where to start,  
What to write;All we see is plight,  
Must we fight,Just because "I am" religiously right?That is mans insight,  
God is love!  
Do we really think,God could find,Such divide!  
Between mankind!  
Does God bind,That we must find!  
Truth is entwined,In all that we might find,Locked in our mind,To discern between!  
Got to stay keen,Keep your temple clean,Say what you mean!  
Give up of your self,Give up of your wealth;Change of your ways,  
Until the end of your days!
