Many tribes and many tongues,
Different songs;
All about the same!
Isn't such a shame?
Just a different name!
Many angels he has sent,
Understand what was meant.
Truth was bent,
Use better judgement.
They all say the same,
Isn't such?
A shame!
Take away the blame!
Everyone was sent;
With a just intent,
That we may be content!
Understand from the events,
Happened quite frequent!
They say a sacrifice has been made?
Things have been repaid?
Karma must be dispersed,
Debt is reimbursed.
With who's Purse?
So give back,
that the universe,
Isn't cursed,
For that would be the worst!
