Who invented this machine? The greatest inventor of all time (my opinio
inventions revolutionized science.

Edison got credit for most of his inventions. Tesla work in harmony WIT
can figure out 3,6 & 9's the universe is yours. Do you know what he mea

Nikola invented a house that was ENERGY FREE. It ran off the earths en
"As long as there is breath in my body there will be no free energy."

He made good on this. A man hired by J.P Morgan George C. Boldt filed s
won the case, but went bankrupt doing so. The House was dismantled by
through various channels most the technology became property of Raythe
Wars defensive weapons circling over our heads?

Anyway enough venting. Perpetual Motion Machine. What would that mea
use fossil fuels to power power plants, or to pump water, no pollution (r
machine? Probly the same place a caburator that got 80 miles to the gal
futher reseach as we where told. Then as they knew over time people for

Why would anyone do this? Good question. What do you think?
