Ok step one

If we understand that many say we are the temple of God, Yet's God's throne is in us  
i.e. Oneness

This can be part of us if we accept it

We have to realise that no image we can give is worthy of what is the maker

The maker is beyond, the creation.

If you have a painting, you have a painter.

Yet the painting is not, the painter, even though you can see parts of the painter

Do you see what we are getting at, a 2 dimensional image is a picture.

So free your self of all EGO as you are them and they are you, what you are is them  
them you.

So be at one in your self and they will be one with you.
