Worlds Full Of Reason

The Lord knows there is no evil
He just likes to take you for a ride
In a world that seems bent on reason
Where everything has at least two sides
And it all depends what end you're looking on

Some say it comes down to freedom
and with your will to decide
Not who or what you believe in
Just trust that answer deep inside you
But for some of us, that's hidden by our pride

We all live in Harmony can't you see?
We all live In Harmony can't you see?
. . . .

The Lord knows there is no evil
He just likes to take you for a ride
And I know that you will believe it
When it just seems so hard to survive
When we all do what we must to stay alive

And I know that there are some people
Who seem to think he's always on their side
But in our worlds full of reason
That's just created for a state of mind
For it all depends what end you're coming from
. . . .

"So come 'round all you heathens
That we may take you all for a ride
And give you a damn good reason
To come and join us on the other side
For it all depends what end you're looking for"
