A book called, the cure for all diseases, by Hulda Clark, has 100 documents and 100 cured cases of HIV..Its an amazing book, using vitamins, and a shack gadgets, that one can make a "zapper box" from, to kill these viruses with a battery..One can get this book still at bookstores in america, i dont know I got the book and built the "zapper box" and it works just like the author says.

You can get this suzyQ, just call a book store, darling!

And lets not forget collodial silver, it kills cancer very well too! peace.
