Wizanda, please don't take this the wrong way, but do you think you could help me out here through a spellcheck?

It would help tremendously, and though it's probably a form of prejudice, I would like to see the forum more seriously if the webmaster (you) didn't make spelling and grammar corrections.

I hope this post doesn't hurt you in any way, but I do think it would improve the forum.

I can tell you have a good heart, and that it is aimed in the right direction.

Peace.
