Ok thank you all for all the help

As you can see loads of people added quotes

.gif

Ok they didnt yet i found someone with 1500 and i converted them all my them all

Yet the offer still stands

I did at one point add a quotes module

Yet with out anyone to help or tell me if it was useful

I removed it again as it just adds more stuff to the site and i feel there is people to look at

So if you want a quotes adding please say and i will be happy to add the
