yes i do follow what you mean and you are correct

when i died this is what i saw

also i in my memories i or my spirit remembers over 20,000 years

so i agree full heartedly

at first i wasn't sure when i was 5 and felt this way

so i have studied loads and had many past memories now i am about sure

does return if sent by God

many people do not believe this as they follow paul and not Christ

as paul said we are to live once then be judged yet this does not concur

with what the other prophets have said

So what many need to see is the fake prophpet spoke all the way through

is that of a pharisee and law maker

if you check up prophocies you will see what i have stuck in this thread

wide as the 13 dimensions are supposed to reamerge as fore told by maya

and the last commandment as fore told by the bible

also christ said he would send the spirit of truth and if he didn't go then

as the 2 are 1

In my spirit and through what God has shown me i understand most spirtu

alot since i was 5

yet i was scared to defy my auntie si kept quiet as not to break the com

olders and parents

yet through God convincing me other wise i am now solid enough in my s

spiritual knowlecdge to explain and not waver

what i ask of many is that we relise heaven is oneness split into three le

3rd God

all three are one and heaven is one all people who have said this are ab

hell is ego there is no devil it comes from mans ego and through no ego

oneness we can make the world a better place
