Thx what you say is right

if we look at history we can see there has been many religious crusades

Yet christ came to unite the people's

From what i see of what paul has stated he asked the spiritual to judge a  
not christian

So instead christians do not accept muslims and muslims christian

The quran stated the bible was changed, as it has been by Paul

Paul even stated in corinthians that he is buffeted by the devil

yet as i have said the devil exsits with in man's ego

We can never have peace while the underlying factor of people belief's s

So if muslims realised that the contibuting factor of the change in the bi  
books as these match the dead sea scrolls

Then they would except that the jewish books are part of their own, state  
prophets can not lie.

Even in the bible it was made a proverb in samuel is saul among the prop  
also yeshua warned against the leven of the pharisee

this is where much of the goverment now stems from pharisee, rule and r

So even though it is maybe hard to see it is causing seperation of God's

God is one and heaven is oneness, as he wish us to be.

Amen
