Even in the Bible it says "God made the earth and saw it was good"....  
This is where man goes ~~to~~ **GO** and blame; so they don't have to blame or look  
self's.

Sort of feel it is a set up in **Religions**, whatm to follow God on the basis  
dead book.

That then causes more wars and fighting, yet you won't fail to not hold o  
another's life and lose that so easily??

When God is life and character
